

DO YOU KNOW THE TALE OF TITS MCGEE?
HER BREASTS ARE WHERE HER EYES SHOULD BE
AND WHERE HER BOSOM'S MEANT TO HANG
YOU'LL FIND TWO MOUTHS, WITH ROWS OF FANGS.

BETWIXT HER ANKLES AND THE STREET
GREAT EYEBALLS ROLL, INSTEAD OF FEET.
FROM OUT HER BUTTOCKS, FINGERS BLOOM
AND BLINDLY GROPE ABOUT THE ROOM

'TWOULD TAKE A WISER MAN THAN ME
TO LEARN AND MAKE IT KNOWN TO THEE
WHY NATURE, IN HER SAVAGERY,
MADE ANY SUCH WOMAN AS TITS MCGEE.

HER NOSE IS AN ESOPHAGUS.
SHE HAS MISPLACED HER UTERUS.
HER STOMACH'S IN HER PANCREAS.
SHE NEVER DID FIND THAT HUMERUS.

IT TOOK A WISER MAN THAN I
TO TAKE THAT LADY FOR A BRIDE
AND NOW MY LOVE BELONGS TO HE
WHO BRAVELY MARRIED TITS MCGEE
